

# Teema Sireesha Poonumalli

B.Tech Data Science | Data Science Engineer

Email: teema.sireesha@example.com | Phone: +91 XXXXX XXXXX | Location: India

## PROFESSIONAL SUMMARY

Passionate Data Science graduate with expertise in machine learning, full-stack development, and data visualization. Skilled in Python, JavaScript, SQL, and modern web technologies.

## TECHNICAL SKILLS

Programming: Python, JavaScript/TypeScript, SQL, R, Java, C  
Data Science: Pandas, NumPy, Matplotlib, Scikit-learn, Seaborn, GraphViz  
Machine Learning: Regression, Classification, Clustering, Decision Trees, Random Forest  
Web Development: HTML5, CSS3, ReactJS, Node.js, Express.js  
Databases: MySQL, MongoDB, Advanced Queries, Indexing  
Tools: Jupyter Notebooks, VS Code, Power BI, Git/GitHub

## EDUCATION

Bachelor of Technology in Data Science  
Specialization in Machine Learning and Data Analytics

## KEY PROJECTS

â€¢ Machine Learning Prediction Model - Comprehensive ML model with feature engineering  
â€¢ Full-Stack Data Dashboard - React frontend with Node.js backend and real-time visualization  
â€¢ Business Intelligence Dashboard - Interactive BI dashboard using Power BI and Python

## SOFT SKILLS

â€¢ Agile/Scrum methodology understanding  
â€¢ Effective communication and team collaboration  
â€¢ Problem-solving and analytical thinking
